## Keep in mind

You will find below some helpful questions to ask your dealer :

- If the tyre you've selected is not immediately available at your dealer, you can always ask them to order it. It may be available in just 1 – 2 days.
- Remember that a good price is not always a good value : a tyre that lasts longer, helps you save on fuel, and keeps you safe in every condition is a better value in the long run.

Manufacturer's Recommended Retail Price (RRP) is for a tyre only (i.e., excluding services such as mounting, balancing and tyre disposal). Actual pricing may vary based on retailer, region, tyre size and other factors. Retailers are free to set individual prices. Please check with your local Michelin tyre dealer for pricing near you.
